

A professional music studio setup. In the center is a desk with a computer monitor displaying the 'PORTO MONTENEGRO' logo, a keyboard, and various audio equipment. Two large black studio monitors are positioned on either side of the desk. To the left, an acoustic guitar and an electric guitar are leaning against the wall. To the right, a keyboard is on a stand near a large window that looks out onto a green landscape. A glowing, circular graphic composed of many thin white lines is superimposed over the center of the image, partially obscuring the monitor and keyboard. The floor has a light-colored, geometric pattern.
